I would like to say, My name is Wonnell Ringgold ~~32286~~ ~~32286~~
I would like to explain a problem that I am having
I am no longer at Gander Hill, Howard R. Young,
Prison. I am at C.U.O.P. in Smyrna, Delaware
In the matter, of Case # 06-3685 LR, Ringgold
V. Lambly An initial Partial Filing Fee of \$11.14 shall
be required. But I am at C.U.O.P. And we are
not allowed to have any money here. Any money
we get goes to court cost, and fines. And
The money I came here with from Gander Hill,
was taken from me, and put toward my fines,
I have asked my counselor Miss Williams here at
C.U.O.P. for help in this matter, she explained
to me to write Wendy Duval the person in charge
of Accounting 'here at C.U.O.P.' to help me in this
matter. I have wrote Miss Wendy Duval here at
C.U.O.P. In charge of Accounting (twice) 2 times,
asking for a (6) six month account summary, and
something in writing saying I have no money in my account
and that I need it A.S.A.P. cause I have a deadline
and I was told she was the only person here to help me
and she has never wrote me back, Wendy Duval, never,
responded to my letters, please flip-over on back-

I Am not getting any help HERE, ^{From} (for nobody)
I do not know what else to do, Because my
Deadline is 8-11-06, coming up Real Fast.
So I AM writing (explaining) my problem,
I do not have any (money) At all Now.
The \$25.00 dollars I had in my account, was
taken from me, When I got Here to C. U. O. P.
In Smyrna. And I am not getting NO HELP
Here at C. U. O. P. In this matter, I don't know
what else to do?

Thank You
